

## **Innocence and Naivety (Based on a Film)**

I am Edward Scissorhands,  
I'm a freak from foreign lands.

I don't fit in with the crowd,  
Who sometimes find me soft then loud.

You see, I can't control my mood,  
I can't be just another pseud

Who wants to act like all the rest,  
So it's me they all detest.

Arms like pincers and, what's more,  
I drill, snip but ne'er get sore.

For I'm an outsider looking in,  
From a Gothic looney bin,

You see I am from foreign lands,  
Yes, I'm Edward Scissorhands,

David Woolger, January 2013
